**TO WHOM IT MAY CONCERN**

This is to recommend Commission Connect Team Ltd, a private company that currently provides supplementary school daily management services using its Automatic School bell and Face Recognition Attendance system.

We believe that this initiative is in line with access to quality education using technology and welcome all partners to engage them as they see fit.

Any service rendered to this company is highly appreciated.

Sincerely,

**Claudette IRERE**  
Minister of State in Charge of ICT and TVET
